

FIRST CITY

veng wa'DIch

Klingon seat of power. The city has been rebuilt several times after numerous battles, as in the House of Duras attack during the Civil War in 2368 and the Borg invasion 2381.

The First City is the capital city and the beating heart of the Klingon Empire, based on the greenest planet in the Beta Quadrant - Qo'noS. Since Kahless the Unforgettable united the Klingons it has been the

SCALE 1:30 000
